### **Master Kuthumi's Prayer to Align Your Mind to the Mind of God**

**Oh, Heavenly Father, Heavenly Mother, and Our Lord and Savior, Jesus Christ.**

**We come to you today, praising your collective goodness and name, dedicating our lives to you and the Light.**

**We love you and honor you, and ONLY align with your agenda in the LIGHT.**

**We work for you, and we offer our bodies, Minds, and Souls to God's Divine Plan to bring peace to this world over the next 1000 years.**

**Oh Lord, make this the best day of our lives so far.**

**Shower us with your GRACE, DIVINE WILL, INTELLIGENCE, PROTECTION, LIGHT, WISDOM, BLESSINGS, PEACE, AND DIVINE INTELLIGENCE, SO WE ALIGN OUR MINDS, WILLS, AND ACTIONS WITH YOUR AGENDA.**

**Thank you for this food, for your protection, for your constant guidance, and for your deliverance from all Sins, illnesses, pain, suffering, delusions, chaos, and all deceptions that continue to hold us back and/or that keep our Minds in ignorance.**

**Instantly, remove all darkness, depressions, fears, worries, pain, diseases, and doubts from our bodies, Minds, emotional bodies, and Souls. We freely give this dark energy to you. Use this energy and transmute it in the Light of God to help more Souls on Earth see the Light. We ask that you do this quickly, easily, and effortlessly.**

**Instantly, remove all narcissistic traits from our personalities and let us see the harm that these behaviors have caused to others, so that we might own our behaviors that harmed others and free ourselves from these traps.**

**Forgive us, Oh Lord, for our transgressions and make us clean, once again, so we are free to do**

**your work on Earth for YOU, to raise the vibrational frequencies of our countries, and ultimately, humanity, and this world. Give us the strength to forgive ourselves on an ongoing basis, as well.**

**We are ready to be delivered into the Mind of God. Make this happen now, and each moment of each day.**

**We freely align with your WILL and commit to this union of our Minds today. Use us, Oh Lord,**

**and send the Light of the Holy Spirit through us - and into the hearts of each of our family members, humanity, our countries, the United States of America, and the world. Use us as conduits to raise the frequencies of this world, and do this NOW and do this constantly.**

**Restore the United States to its original status under the Constitution of the United States, that was originally created as a covenant with God. Restore all freedoms to humans everywhere, and let Liberty reign again, through this portal of Light that was created for the world centuries ago.**

**Hear our collective prayer, Oh Lord, and instantly restore Freedom to the Souls who choose the Light, and bring them unshakeable Hope, once again.**

**Immediately, cast out, from our countries, all the harmful souls coming across our borders,**

**and we beg of you to swiftly deal with their dark agendas, such as those who sell drugs, are Human Traffickers, harm others, and who are criminals, etc. Then, show us and teach us how to effectively manage these people, so we will become better and wiser for the teachings, in the future.**

**And finally, we pray that you continue to expose, convict, and appropriately punish and/or**

**eliminate all the Dark Beings and Creatures who work endlessly to advance evil and to reverse: love, a devotion to God and the Light, your beauty that is everywhere, your beautiful creations, godliness, goodness, morality, order, your laws and commandments, and all freedoms and liberties on Earth.**

**In a timely manner, show us that these creatures are being dealt with and eliminated from this world. Show us the signs that this is so, and keep us informed of the progress being made, resulting from our reciting this constant prayer to you.**

**We thank you for hearing this prayer for peace. Each time we recite it, let our Minds further merge with the Oneness of the Mind of God. Amen.**
